

Attend Momentum 2012 and Reach a Whole New Level of Real Estate Success!

Listen to four acclaimed keynote speakers share their expertise on market trends, social media marketing and techniques to win over prospects.

Gain insights, perspectives and knowledge from 20 engaging sessions designed to keep you ahead of the competition.

Momentum 2012 professional development also features:

- Classes on Premier Service®, agent business planning, and how to win more listings with the help of the Real Living buyer and seller presentations, delivered by Real Living instructors
- A live, hands-on computer lab with seminars focused on website editing, action plans and social networking
- Preferred Vendor sessions on various topics including: selling HUD homes, understanding the short sale process and implementing successful marketing tactics
- Training on recruiting strategies
- Updates on the latest enhancements to the technology platform designed to help you manage and grow your business
- Plus, a panel discussion hosted by Brookfield Global Relocation Services to address your relocation needs

But Real Living Momentum isn't just about learning, it's about: viewing the latest industry products, services and technology, connecting with Real Living colleagues from across the country, and being recognized for your success. ***Momentum is not to be missed.***

ENJOY THE PARTY! It Is Vegas After All.
